STEELHEADERS BALL

February 17, 2012
6:30 to 10:30 pm

Pine Ridge Country Club
30601 Ridge Rd • Wickliffe, Ohio

More than a decade ago, three forward-thinking conservation-minded individuals embraced the vision to establish Northeast Ohio as an outdoor destination—a place where youngsters would grow up proud, seniors could think optimistically for the future and outdoorsmen and women would find adventure.

What magnificent creature stood out to these visionaries as a cause to celebrate the epiphany of this new era in the history of Northern Ohio? Not the over abundant deer, not the forever-grazing geese, not even the return of the Hinckley buzzards! It was the premier freshwater game

fish of the Great Lakes—the steelhead! Hence the Steelheaders Ball was created! Besides, it was the dead of winter and these three were looking for a reason to have a party! Like the return of the steelhead—the Ball is back!

Come enjoy live music, food, raffles and auction items. Many individuals and organizations have generously supported this event with donations of quality gifts and sponsorships. We hope to see you for an evening of great fun and true fishing stories.
